

GAËTAN PECQUER

RED TABLE WINE

Producer: Vignobles Arbeau
Appellation: Vin de France

VINIFICATION

Classical, in stainless steel vats.

WINE TASTING

This is one of Gaëtan's cheeky yet highly sociable wines. Full-flavoured, fruity and smooth, it has pretty purple hues with violet reflections. The red berry nose also reveals notes of grilled almonds with a whisper of vanilla.

ADVICE

Serve between 16 and 17°C.

Red Pecquer will certainly add spice to beef, chicken and lamb, but to really spoil you, serve with saucy dishes, especially those from South-West France.

It should be enjoyed within the next couple of years.
